## Letter from the President

We have survived yet another Ground Hog Day. I hope you have had an enjoyable winter. It seems like winter is going fast and in no time, it will be spring again. We will be outside enjoying the weather, working in the yard, garden and of course putting up new antennas.

Our Annual Meeting is coming up Sunday, February 26th at Genoa Township Hall, just north of Westerville. Our speaker will be Chief Meteorologist Marshall McPeck from channels 6, 28 and 53. He has graced us with his presence twice before and is always an educational and enjoyable speaker. Once again, this meeting will be a potluck, just like before that Covid thing.... We will be giving away a Yaesu FTM-6000R Dual Band FM transceiver at the meeting. Every paid-up member at the potluck will receive one raffle ticket. Additional raffle tickets will be available for purchase. Come join the fun and visit with fellow amateur radio operators.

Our directors and volunteers have been working hard to keep our system operating properly. I appreciate all their hard work to keep this organization going.

Feel free to bring a friend that may not yet be a CORC member...

I look forward to seeing you at the meeting.

Laura / KA8IWB

## From your CORC Membership Chairman... John / W8RXX

We would like to thank everyone that have either joined or renewed their membership since our last newsletter.

### New Members... Welcome All!

The following have recently joined CORC. Please thank them for joining the club when you hear them on the air.

KE8VXI – William   K3NND – Richard   KE8TJB – David   KE8VJB – Arnie  
KE8YOU – Martin   KE8JRT – Jeffrey   KE8VXD – John

### Donations... Thanks!

Many thanks to those who have donated their time, talent, money, printing, etc. since the last newsletter. They all help keep CORC financially sound.

W2EAL							

---

Thanks to all the ARRL Volunteer Examiners

that helped during 2022 at the CORC sponsored test sessions.

CORC sponsored 4 VE test sessions during 2022 with Frank, AE8FP the Session Manager at the helm.

There were 57 test elements given to 45 Candidates. Many new amateurs received licenses and several received upgrades thanks to the following volunteers.

Scott, AB8KN	Robert, KC8PSW	Craig, WB2FVE	Kevin, KD8IIB	Phil, WD8QWR
Ed, N8UTI	Rich, AA8DN	Frank, AE8FP	Laura, KA8IWB	Craig, W8PCP
Mor Cassianus, K8AYB				

## Honor Flight Columbus

Honor Flights is accepting applications from America's Senior Veterans.  
No need to be a ham...

*I have volunteered as a Guardian with this in the past. What a privilege this was.... John, W8RXX*

ALL Veterans should take advantage of this **NO COST** to the Veteran program! Senior Veterans are those who are age 65 and over and served on active duty or over 20 years in the Guard / Reserves. Honor Flight will call veterans in sequence by the dates of applications received. WWII, Korea and terminally ill veterans will have scheduling priority.

Please contact Honor Flight or go online to print an application.

## CORC Tech Net Tech Net Update

By: Tony Fabro N8RRB

The Tech Net Team would like to thank everyone who has checked-in and participated in Season 12 of the revived CORC Tech Net! So far, this season we have had 10 nets and logged 114 check-ins. We have six more nets to go this season which are currently scheduled for the following dates/topics:

February 19 – Kits and Kit Building

March 5 – topic TBA

March 19 – Open forum roundtable discussion

April 2 – topic TBA

April 16 – RaspberryPi

April 30 – Hamvention Overview / Hamfests

We are always looking for new topic ideas. In addition, we are also looking for subject matter experts (SMEs) to present a topic. You do not have to be a know-it-all about a topic, but do need to be comfortable enough to present what amounts to about 20 minutes of material. This can be about a project, product review, or something else you find interesting that is relevant to the net. Anyone interested should send an e-mail to the Tech Net Team at [technet@corc.us](mailto:technet@corc.us).

In addition, we are always available to answer your ham radio or computers questions! Please send your questions or comments to [technet@corc.us](mailto:technet@corc.us) and one of us will get back to you.

We hope to hear you on the net!
